INVENT THE SUMMER

Are you 12 and under? Are you looking for something fun, creative and different to do this summer? Try Invent the Summer! On June 22nd, Invent the Summer starts its weekly Invent the Summer Engineering Challenges. Students with their parents can sign up on the [website](#) if they would like to join. Each week the kid-run “board of engineers” present a problem and kids invent a solution. There are weekly prizes and participation is on a week to week basis. So pick and choose what you want to do and how often. SSCPS has one the grand prize for our school two years in a row. Let’s try to make it THREE! SSCPS’s very own Siddarth Mongari has joined the Jr. Board of Engineers and will be cheering us on. ENJOY! Prizes include a \$1,000 grant for your school for STEM activities and supplies for the most school entries, a 3-d Printer, cricket and more!
