5. Additional Topics

- **Craft Day**

- Parents that volunteered are expected to supply 80 crafts for that day.
- In the past, kids would rotate from room to room in an “organized chaos” fashion. Kids would be paired with a buddy and they would choose the rooms/crafts they wanted to go to anywhere on their level. And there would be 2-3 crafts in each room.
- This year will be different in that it will be the volunteers moving rooms – so each volunteer will go to each of the classes for that grade – for example if you volunteered for 4th grade you will go to each of the four 4th grade classrooms for 20 minutes
- Day will start at 9:00 for Level I and II and 9:20 for Level III– and parents will rotate from room to room for the grade they signed up for every 20 min – there is a built in break.
- Parking – back gate will open at 8:45 for volunteer parking along the exit road– volunteers will take their children right before dismissal
